

D3R Ready For Operations

Submitted by mvega on Sun, 2013-04-28 19:40

Date:

Sunday, April 28, 2013 - 19:30

Instrument List:

- [Green](#)

Discussion:

The D3R is ready for data collection.

- Tested 30 deg sector scan from scan strategy document (~2 min 20 sec execution time).
 - Waiting for suitable case for Zdr calibration.
 - Remote operations currently not possible.
-
