

GSFC Parsivel Install Update

Submitted by mattwingo on Fri, 04/15/2011 - 21:09

- [APU](#)

Flight Date:

Friday, April 15, 2011

Status:

Yellow

GSFC Parsivel 1 (near the RCF) tripod was anchored to the ground today.

Wireless comms were installed for the GSFC Parsivel 2 (near the ARM 2DVD) laptop. RDP to this laptop is possible within the wireless comms network.
